

FLAG CASES

Premium Flag Cases are manufactured in the USA of solid Red Oak or Walnut. All cases are hand crafted with reinforcing inserts for extra structural integrity, strength and durability. The acrylic faces are lightweight and durable. The case is finished with a high-gloss varnish that treats and protects the wood, ensuring a lasting luster. The case can be easily cleaned with a damp cloth. The back of these cases has easily removable fasteners that allow for convenient placement of your flag. Complete care instructions are provided, including instructions for proper folding of your special flag.

Cases come with a Satin Gold Brass or Black Brass Plate with Engraving Include.

Three Bay Mantle Pieces

These cases have three bays for medals or rank insignia. The middle bay has an optional forward position for a plaque, or the three bays maybe on an equal plane for larger objects. The background of the bays can be had in the different services colors.
